I KNOW JESUS, NOW WHAT?

*We are so excited about your decision to put your faith in Jesus Christ as your Savior and Lord! As you begin this journey of trusting Jesus and following him, here are a few next steps to help you build a foundation for your faith.*

## READ THE BIBLE

*If you don't have a Bible, we would love to help get you one. The Bible is God's Word, it allows us the chance to know Jesus better and how we are called to live as Christians. If you are looking for a place to begin reading, grab a devotional from our Grow Booth and follow along with the daily readings.*

## PRAY

*Prayer is simply talking with God. If we desire to know God more deeply, we must communicate with Him regularly. Throughout each day, you can give thanks to God, ask Him to answer your daily needs, and pray on behalf of others. It's also important to pray together with others who also follow Jesus.*

## GET BAPTIZED

*Baptism symbolizes your new life in Jesus and proclaims that you are now committed to Jesus. Even Jesus was baptized (Luke 3:1-22), and He call His followers to also be baptized.*

## FIND COMMUNITY

*The Christian life is designed to be enjoyed with others. At College Ministry, the easiest and best way to do this is through our Life Groups. We would love to help get you plugged into a group, even tonight!*
