

BAPTISM

A NEW LIFE IN CHRIST

WHAT IS BAPTISM?

Baptism is a public display of your faith in Jesus Christ. It is the next step after salvation through repentance and faith and is an important foundation for the Christian life. It is the symbolic washing away of your old self and the commitment of a new self in Christ. The dunking is to illustrate Jesus' death and resurrection, and follows the example of Jesus' baptism found in Matthew 3:13-17.

WHAT IF I WAS BAPTIZED AS A BABY?

Baptism is a personal choice. The Bible says you should be baptized again if the first time was not your choice- this time with full knowledge of your commitment. However, you should first talk to your parents, who made the original decision to baptize you as a baby. Baptism is an obedient step to honor Jesus and your commitment to him, but as Christians we are also called to honor our parents.

WANT TO GET BAPTIZED?

Baptisms are scheduled throughout the calendar year. We would love to baptize you on one of these nights!
